- 12TH:** 3 DTP, 3 POLIO, 2 MMR, 3 Hep B**, 2 Hep A

*Requirements listed are as of January, 2008. The health department will publish new requirements in April 2009. If any additional immunizations are required by the State Department of Health after this publication date; the school will notify you.

**Adolescents 11 to 15 years of age may need only two doses of hepatitis B vaccine, separated by 4-6 months. Ask your health care provider for details.

- *All Measles, Mumps & Rubella doses must have been administered on or after the child's first birthday.*
- *If the 4th dose of DTP and/or 3rd dose of Polio are administered on or after the child's fourth birthday, then the 5th dose of DTP and/or 4th dose of Polio are not required.*
